Syd,

Do you think you could have comments back to Ross by Wed? He is meeting with GPEB and wanted to discuss the PIA... If not, when would be a good timeline?

Hi Kevin

Please see the note below. Would you arrange for the info security group to cast their eye over this and provide comment. Ross – feel free to weigh in as well.

GPEB has offered this up and proactively sought our input which a good step in terms of our relationship. I would ask that we give GPEB a high degree of respect and latitude on this by commenting only on things that we see as critical as opposed preference from our end. I would also ask that any comments we do provide are stated as diplomatically as possible. Of course, if there is nothing critical there is nothing wrong with sending the document back saying we don't see any critical issues.

As to timeframe, Len didn't provide one. So whatever you think is reasonable given workloads.

Please send the response to Len with a cc to Rachel, Patricia and myself.

Thanks.

Rob

Subject: FOR COMMENT - GPEB PIA

Hello Rob,

I am sharing a copy of the internal PIA we will be submitting to MOF Privacy Manager for approval. If BCLC would like to offer any comment or suggestion on content I would appreciate that. By the way, I found an ISA that was signed by BCLC (Terry Towns/ Rick Saville) relating to Lottery post Ombudsperson review. If we wish to develop a mutual ISA then we could follow that template if agreed.

Ross and Anna are to meet and further discuss how information will be shared, meaning what we will provide and how it will be delivered. Thanks for helping to move that forward.
