Folks,

I managed to get a un-redacted copy that was recently provided to Post media. {Surprised the heck out of me.}

At the end of the day their own internal memo essentially states that there are no issues with Bank Drafts which flies in the face of what we had been hearing from Gpeb !! Go figure !!

Hello Anna,

I trust you are keeping well. Our Bclc communications received an inquiry from Postmedia/Sam Cooper related to a shipment of documents that he yesterday received from GPEB.

Specifically Bclc received a copy of the attached redacted internal GPEB memo requesting that we [BCLC] comment. We have never seen this document prior to today.

Would you be willing to share an un-redacted version of the attached memo with us?

Thanks very much in advance,
John
